

Summer 2010 VERY tentative meet schedule:

This meet schedule is very tentative and subject to change. We have scheduled a variety of different meets some SCY (25yd), some LCM (50meter) and one SCM (25meter). There are some weekend invitationals, some dual meets and some one day invitationals as well as one outdoor prelims and finals meet. We hope that this will meet the needs of everyone from the young novice to the experienced senior. Also included with the schedule is a brief description of each meet as I know it. You can use the information to plan which meets you may wish to attend. As always there are a few team meets that we would like everyone to attend. These meets are indicated in red.

May 1st - Power Aquatics Pentathlon This is a Saturday only meet held at Warren Central High School. It is in a **25 meter** pool rather than the usual 25 yards so be forewarned that times will be a bit slower than in a 25 yard pool. We would like to offer this meet to 12 and under swimmers and those 13 and overs that are new to the sport and competition. It's a very low key meet and a good introduction or reintroduction competing for our younger swimmers.

May 14-16 SCSC Spring Invite. This meet will be held in Crawfordsville and is intended for those older and more experienced swimmers. It will be held in a **50 meter** pool. This is a normal weekend invitational with which experienced swimmers are familiar.

May 27 Dual Meet at Frankfort This is a Tuesday evening dual with warm-ups starting typically at 5:00 and the meet lasting 3 hours or so. It is held in a **25 yard** pool and the distances competed are short. We would like all swimmers to attend this meet if possible.

June 4-6 Donner Invite This meet is held in Columbus Indiana at the Donner Park Pool. It is an invitational much like the SCSC meet. The meet is held outdoors in a **50 meter** pool. This meet is open to all Bronze level and above swimmers.

June 10-11 Cisco Invite at Frankfort This invitational is held in a **25 yard** pool. In the past it has been a one day affair with everyone swimming in one session. Those who have attended in the past know that it was very long and crowded. This year the meet will be split into sessions which should make it a lot more enjoyable for everyone. We would like everyone to attend this meet. We have finished second the last two years. I don't know if we have enough top to bottom firepower to beat Danville this year but we can give it a shot.

June 15 Dual meet with Southside Swimming at Lebanon This meet is tentative but if we do swim it will be our only home meet of the year. Obviously we would like everyone to attend and will a big help from the parents to make it work. This meet will be on a Tuesday.

June 22 SCSC 12 & Under Invite This will be held in a **50 meter** pool in a one day format. It will be a good meet for those younger swimmers who have not ever participated in a LCM meet.

6/26-27 Indy Dolphins Invite at IUPUI Natatorium We will take all interested 13 and Over swimmers to this meet. There is no better place to compete than the Natatorium.

7/16-18 ACAC Invite in Anderson This will be the last **50 meter** meet of the season and we would like to make it a fun type travel meet for the whole team. It is held outdoors in a park in Anderson. We would like to organize car pools to ensure that everyone can get there and maybe set up tents in the park and do a cookout. Let's make this a fun one! It is also a prelims and finals meet for 12 & overs so they will have the opportunity to swim twice if they qualify for finals. The 10 & under swimmers will swim in the preliminary session only.

7/14 Or 7/20 Carmel or Center Grove 10 & Under Invite. Carmel is hosting a 10 & Under only meet on the 14th and center Grove is hosting the same type meet on the 20th. Both meets are in a 25 yard pool. We have been to both of them in the past and they are both nice meets. We make take a poll among interested 10 & Under parents and let the majority rule.

7/23-25 State Age Group Championships. Held at the IUPUI Natatorium and is for swimmers who have met the qualifying standards.

7/27 ICAC End of Season Finale I don't really know anything about this meet except it is in a 25 yard pool in Trafalgar. It would be the last chance to compete for the season.

7/29-8/1 Senior State Championships Held in Bloomington for qualified swimmers only.

8/5-8 Senior Central Zone Championships. For swimmers 15 and over who have achieved AAA time standards. The meet will be held in Bismarck, ND.

8/5-5 14 & Under Central Zone Championships For swimmers 14 & Under who have achieved AAA time standards. The meet will be held in Lincoln NE.
